

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

The application of San Diego Gas & Electric Company (U 902 E) for approval of servicing agreement between the State of California Department of Water Resources ("DWR") and SDG&E Pursuant to Chapter 4 of the Statutes of 2001 (Assembly Bill 1 of the First 2001-2002 Extraordinary Session).

Application 01-06-039
(Filed June 22, 2001)

ADMINISTRATIVE LAW JUDGE'S RULING SHORTENING TIME

On June 21, 2002, San Diego Gas & Electric Company (SDG&E) filed a petition to modify Decision 01-09-013. In that decision, the Commission approved, with certain modifications, a servicing agreement between the Department of Water Resources (DWR) and SDG&E. In the petition, SDG&E seeks Commission approval of an amendment (Amendment No. 1) to the "First Amended and Restated Servicing Agreement" between DWR and SDG&E. The purposes of the latest amendment are to provide a separate line item on the Consolidated Utility Bill for Bond Charges and to implement the 2002 20/20 conservation program as ordered by the Commission in Resolution E-3770. The 20/20 program is to commence on July 1, 2002.

In order to facilitate the expeditious implementation of the 2002 20/20 program and the issuance of bonds by DWR, SDG&E requests an expedited review process in order to allow the Commission to act on the petition at the June 27, 2002 Commission meeting. Among other things, SDG&E proposes that the time for responses to the petition be shortened, and that such responses be due on June 24, 2002. Given the circumstances attendant to this petition, this

procedural request will be granted.¹ Therefore, good cause appearing, and pursuant to Rule 47 (f) of the Rules of Practice and Procedure,

IT IS RULED that:

1. Responses to San Diego Gas & Electric Company's June 21, 2002 petition to modify Decision 01-09-013 shall be filed and served no later than the close of business on Monday, June 24, 2002. Responses shall be served electronically on Administrative Law Judges Mark Wetzell (msw@cpuc.ca.gov) and Michelle Cooke (mlc@cpuc.ca.gov) and on those persons on the service list who have provided e-mail addresses, and by first class mail or other expeditious mode of delivery to those who have not provided e-mail addresses.

2. This ruling shall be served on parties to Application 00-11-038 et al.

Dated June 24, 2002, at San Francisco, California.
